

Color Spectrum

The blue and green of TimorGap is a touch of the natural. The duo, though, has a deeper meaning than colors of natural elements.

TimorGap's logo with background colors

They, **blue** and **green**, are the highest quality of fire. Associatively, they mean the best quality of oil energy, the very product of TimorGap.

Signature Color Control

The primary use for the TimorGap logo is the 2-color version—old blue and green.

Old blue

Green

When color or printing prohibits this, it may be used in all black or reversed out to white.

Black

White

The logo can appear on color, illustration, or photographic backgrounds, as long as the legibility and integrity of the logo are not diminished.

The standard logo may be used by third parties under license only.
